SENIOR CLASS OF 1951
FREDERICKTOWN, OHIO

1951

Our year at Fredericktown High School was a year of learning, growth, and social activity.

Learning in High School is usually a phase of our life which is taken for granted. We realize that learning is the main reason for coming to school, but we also know that it takes more than just reading assignments to make one's life a success.

In all sincerity it takes school social functions to help us realize that we must be able to get along with others to make this life on earth a complete, enjoyable, and helpful one.

TRADITIONS

ACTIVITIES

CLASSES

These are the things that go on at school throughout our growing years. Not only do we learn mentally, but our physical growth is cultivated also, with the many school activities. We learn to get along with others when attending clubs or merely walking through the school halls.

Mr. Stacy
To an up,
and coming
bass drummer.

In hope that we may express in some measure our appreciation, we the seniors of "51" wish to dedicate this year book to Mr. Stacy, who has built with his unlimited patience and time what we at Fredericktown High believe is the best class B school band in the state.

Foreword

I want to express my sincere thanks to the Mirror Staff and the Senior Class for their help in making this Year Book a success. I also wish to thank the business and professional men of Fredericktown and neighboring communities and any others who contributed in any way to make possible the 1951 edition of the Mirror.

Dear Frederick Hi, within thy walls,
We learn thy truth and loyalty;
And see as time's dim shadow falls
Thy care a guiding hand to be.

Oh Frederick Hi, Dear Frederick Hi,
We raise our happy song to thee
Frederick Hi, Dear Frederick Hi
Thy name a glorious light shall be.

To start our high school career, we had 59 members in our class. During our four high school years, we welcomed Phyllis Anthony, Nancy Glackin, Dallas Popham, Ed Hatton and lost Naomi Mowry, Marjorie Whirl, Donnie Sleeper, and George Morris. George is now a soldier for Uncle Sam and is remembered by everyone, even though he isn't here.

Our senior enrollment is 38. Lois Alsip and Marlene Clawson are at the top in scholastic abilities.

Class Prophecy

Lots Alspach, a quiet miss
Will surely reach the top
For she'll be a dress designer
In a Fifth Avenue shoppe

Phyllis Anthony will not marry
She will have a career
Anyway her employer
Will always call her 'Dear'

Music is her main hobby
Marilyn Bebelet is her name
She'll be a concert pianist
And achieve world wide fame

In nineteen sixty-one
No doubt we will find
Eare Brennenman with six kids
That just won't mind

Marlene Clauson is a cheerful girl
And much to our surprise
Will settle down and marry
And learn to bake good pies

Bev Darling and *Phyl White*
Army cadet nurses will be
And work for their Uncle Sam
In a hospital by the sea

Janet Ewer
Will lead a lonely life
Until she finally settles down,
And becomes a farmer's wife

Out on the ranch in the west
In the course of ten years
We will find *Marg Frazier*
Training horses and steers

Now don't become alarmed
But I know for a fact
That great *Dr. Foote*
Will have many teeth to extract

A noted *Nancy Glackin*
With her skill and fame
Will teach her students
How to play the game

Bob Hart, a romantic fellow
Will have a hectic life
Until he meets a pretty girl
And takes her for his wife

At the same time every day
Eddie Hutton will oft be seen
As a Greyhound operator
Whose job will be routine

Carmie Herdmans will be manager
For all those never more to swim
At her haven of rest —
Called the Old Ladies Home

He'll travel the ladder of fame
Even though he'll be delayed
But when *Ralph Huggins* is finally president
There'll be some changes made!

Mr. Kearns' unique idea
Will go over with a boom!
For he will own and operate
The exclusive 'Don's' Ballroom

As a future Fuller-brush man
Chuck Lamb you will meet
He decided that a salesman
Always lives on easy street

And next comes *Ed 'Nut' Leedy*
So quiet in his ways
A happy bachelor he will be
All the rest of his days

Bigamist Howard Miller will lead
A somewhat double life
For he'll be constantly fearing
Howard's other wife

There's adventure in his blood
And that is why we will find
Chuck Mooney in Africa
Studying animals of every kind

Vast crowds of gleeful fans
With cheers and praises saying
For boxer *Nicky Mullin*
Has stepped into the ring

Bob Nauman and *Harold Leyman*
Will till and plant the ground
We know they'll be successful
For new methods they have found

Doris Phillips will never marry
We shall call her an old maid
But she will have a wonderful position
In which she will be well-paid

At last *Keith Phillips*
Will finally reach his goal
For he'll become a member
Of our State Highway Patrol

Dallas Popham will be a farmer
Because he loves to till the soil
When the storms come and ruin the crops
Twill make old "Poppy's" blood boil

On September 5, 1950, there were thirty students enrolled in our class. The third week of school we were sorry to lose Julia Litt

Under the excellent guidance of Betty Lamb, Miss Durieux, and Miss Dunn, we looked forward to the fun and work that is expected of all juniors, having charge of selling at the football and basketball games.

Many of our boys belong to Hi-Y, F.F.A., and play football and basketball. Our girls are quite busy with Y-Teens, F.H.A., Glee Club, and Band.

We look forward to being seniors but we will always remember our junior year in Fredericktown High School.

Sophomore

Our Sophomore class started school with 55 members. We were glad to welcome Richard and Donna Johnson from Chesterville, making our enrollment 57.

Two of the reserve cheerleaders hail from our class, along with the boys belonging to Hi-Y, F.F.A., and Athletics. The girls are active in Y-Teens, F.H.A., Newspaper Staff, Algebra Club, and Library Club.

We are all looking forward to becoming Juniors in good old F. H. S. next year.

One of the highest honors a student at Fredericktown High School can achieve is to be a member of the National Honor Society. To be this you must maintain a B average throughout the 4 years of high school. You must possess leadership, scholarship, character, and service.

The club consists of nine seniors and seven juniors

ROW 2 Marilyn Lane, Bonnie Vickroy, Carol Mooney, Mr. Whittemore, Charles Mooney

The Annual Staff was composed of hard working seniors who worked co-operatively to have a well planned 1951 year book. To raise money for this project we sponsored a dance, put on 2 one-act plays for the school, sold ads, and took subscriptions. It was work, but it was fun and I know the staff will remember their last year at Fredericktown High School.

Some of the activities sponsored by the Y-Teens this year were; Homecoming, sponsoring Thanksgiving Assembly, a Hi-Y Teens Christmas dance, Heart Sister Week, a Mother Daughter Tea and a spring dance.

Hi-Y

The Hi-Y consists of 32 members. Some of the activities were selling foot
L. L. Bean basketball schedule pencils, swimming parties at the Y.M.C.A., a con-
tribution of 100 silver dollars to the school for a new scoreboard, Christmas
dance with the Y-Teens, and a basketball team with Mr. Hicks, our adviser and

The Fredericktown chapter of Future Homemakers of America has a membership of 86 girls who are working toward New Horizons. Our activities for the year are sponsoring the Bi-County meeting in March, editing picture books, going to F. H. A. camp for the first time. We have 6 seniors who are trying for state homemaker degree.

The club has one meeting a month in which we foster F. H. A. This is followed by a social hour.

F. F. A

The Fredericktown chapter of the Future Farmers of America has a membership of 27 boys. While "Learning to do, doing to learn, earning to live, living to serve," these farm boys are striving to make better rural communities.

It is a fact that Herb Spearman, Willard Ruhl, Harold Layman and Dallas Pipham attended the National F. F. A. convention in Kansas City, Missouri. The parliamentary procedure team won top honors in the county contest and placed second in the district contest. Other activities included a square dance, a basketball team, and a scrap drive.

The 1950 Freddie marching band was quite an active group this season. We marched at eight of our football games, played concerts for the Fredericktown Centennial, and led the annual Fredericktown Halloween parade.

Our band director, Mr. Stacy, displayed talent in planning our formations and marching style with the help of thirty regular band members and two alternates.

Although we had a successful season we are looking forward to a greater season in 1951.

Just when he thought he had lost his last chance to become Dean of the college one of his problem students came to his rescue. When he saw her he knew she was the one he had been in love with all the time. As the saying goes, "All is good that ends good." The professor got his wife and also the new position.

The Fredericktown cheerleaders have been very successful and ambitious this year. They not only cheer at all of our games but help to keep our game spirit up continuously.

They have given time and untiring patience to make our basketball and football games more interesting. They have been under the capable leadership of their adviser, Miss Snodgrass.

OU don't need an almanac to know when summertime is here. If no other signs of the season were to appear, you'd know it was summer by your urge to go questing for recreation and lighthearted moments. But even the planning of a vacation can send your spirit sailing to enchanted islands where dull care is taboo. Printing, with its power to transport the imagination, provides an endless variety of ideas for a holiday from wilting weather and life's little contentions. No wonder that successful advertisers continue their efforts in this season.

Printed salesmanship works tirelessly and gets results the year around.

The Mirror, '51

(Continued from page 16)

If *illard Rubl* will be
The bachelor of the class
For he never can find
A lass to marry him. Alas!

Eileen Seymour
Her diamond is a clue
That she will take the marriage path
Within a year or two

Larry Shirley will join the Army
And as nature takes her course
We'll find him commander in-chief
Of our great army air force

A sweet girl is *Ruth Sockman*
A bundle of youth and charm
She will choose to marry her *Herbie*
And be content on a farm

Lori Spearman and *Wade Tindall*
Will own a small cafe
The meals will be in form of pills
Distasteful, don't you say

At the end of each hard day
She will close the door
For *Joan Staiger* will manage
The town's only dime-store

Lee Ann Tindall
Will be known in town
By her pretty white
Nurse's gown

Mary Tippett will be a beautician
With customers from far and near
But soon she'll become a "Mrs."
And her beauty shop will disappear

Dorothy Tyson will have a shop
Old men she will entice
For she will be a beautician
And make their hair look nice

And then there's *Ralph Tyson*
A doctor with great skill
Who will give every nurse and patient
A never ending thrill
